Remarks as Prepared for Delivery

I voted for Trump not once, not twice, but three times. You see, I work in construction. I work with my hands. He told us he'd look out for blue collar workers. So, I made my first ever political donation to Trump. And I donated to him many times throughout his presidency.

But then, I started to see Trump's tariff policy in action. Costs for construction workers like me were starting to soar. I realized Trump wasn't for me. He was for lining his own pockets.

Now, I'm not left wing. Period. But, I believe our leaders should bring out the best in us, not the worst. That's why I'm voting for Kamala Harris. She's tough. She's going to tackle inflation, Trump will make it worse.

I'm voting for Kamala Harris because she'll make us proud to be American again.
